OBJECTIVES OF THE PROGRAMME:

The students will be able to learn,

- To recognize and respond to common cyber threats.
- Can identify reliable and fraudulent links.
- Will behave cautiously while using internet.

REPORT OF THE PROGRAMME

The programme started at 2.00 P.M in seminar hall with the welcome address by Mounika III B.com. (CA). The principal and staff from ward secretariats participated and enlightened the students about the cyber-crimes. The principal in his address informed the students to be cautious enough while using banking apps and social media as there is a lot of scope for online frauds. Then Mehataj, Mahila Police and other officers from ward secretariat explained to the students not to give any scope to online problems and gave certain useful tips how to safeguard themselves while using social media. They then explained that most of the targets for online frauds are teenagers, women, illiterates etc and advised them not to click on any mails or messages that give free offers. If they got any problem they explained different ways to the students how to bring the frauds to the notice of police personnel. More than 150 students of this college and people attended the programme. The programme ended with vote of thanks and national anthem on a satisfactory note.

OUTCOMES OF THE PROGRAMME

- The students got enlightened about various online frauds.
- Will identify malicious and fraudulent mails and messages.
- Will create awareness about cyber-crimes to their near and dear.
- Students may be ready to inform the police about such frauds.
