Report

Title: Washing Hands

Date: 03.11.2020.

Venue: Besides Office Building

Time: 1.00 P.M.

Resource Person: Sri K Nandeeswaraiah, IQAC Coordinator.

An awareness programme on Washing Hands for all the three year students and staff was conducted at 1.00 PM on 03.11.2020 by IQAC with the sole aim of enlightening the students and staff to wash their hands properly during Covid-19. All the students and staff were assembled at the water taps besides the main building following Covid-19 guidelines. Then the programme was inaugurated by Dr M Sudhkara Reddy, Principal. After that Sri K Nandeeswaraiah, Lecturer in Commerce explained to all the students and staff about the need of washing our hands properly. He said that as all are using sanitizers to curb covid-19 it is necessary to wash our hands neatly. He also explained when to wash hands like after using washroom, after coughing and sneezing, before eating. He then demonstrated the seven steps of washing hands as prescribed by WHO. Then liquid soap was distributed to all the students and staff who washed their hands following the directions. The programme concluded on a satisfactory note.

Outcomes: Students and staff learnt about

- How and when to wash hands properly.
- Can prevent various contagious diseases.
- Will teach others the process of washing hands and stay healthy and hygienic.
