To develop a comprehensive digital portfolio showcasing practical applications of acquired skills.

Report

Title: Online Course offered by IBM-P Tech

Date: 2020-21(15 Days certification Online Training Programme)

Students Participated: 56

Under the adept guidance of Dr. M. Sudhakar Reddy, students actively engaged in online courses organized by JKC (Jawahar Knowledge Centre), with K. Nandeeswaraiyah serving as the JKC & IQAC coordinator. The online classes provided a dynamic learning environment, fostering collaboration with IBM-PTech and knowledge exchange among participants. Driven by the commitment to academic excellence, the courses seamlessly transitioned to virtual platforms, ensuring continuity in education during covid-19. Students enthusiastically embraced the digital format, actively participating in discussions, assignments, and interactive sessions. The coordination by JKC, coupled with the leadership of Dr. M. Sudhakar Reddy, facilitated a smooth and effective online learning experience. IBM PTech Conducted different types of courses at different time durations during covid-19, after completion of full course some Certifications

takes 7days, 15 days & 45days duration, courses are conducted to empower students with valuable skills and knowledge for their academic and professional journeys. Students received Certificates after completion of their course.

Outcomes

Students

- Gained in-depth expertise in specific domains, with IBM PTech courses offering comprehensive insights into relevant subject matter.
- Focused on practical application, empowering learners with hands-on experience and the ability to apply theoretical concepts in real-world scenarios.
- Have the chance to connect IBM PTech's global network, fostering valuable networking opportunities.
- Enhancing participants' credentials and bolstering their professional profiles.
