Report

Title: Prevention of Mosquitoes.

Date: 09.09.2019.

Venue: Seminar Hall

Time: 11.30 A.M.

Resource Person: Sri Kondaiah, Health Educator, DMH, Chittoor.

The NSS and RRC has organised an awareness programme on how to prevent mosquitoes to protect ourselves from various diseases, at 11.30 am, in seminar hall on 09.09.2019 in collaboration with the medical and health department with the sole aim of enlightening the students about the necessity and the prevention of mosquitoes and to protect ourselves from various diseases. The programme was presided by J Krishnamurthy, In-Charge Principal. All the teaching staff and students along with Dr M Raghava Reddy Coordinator, NSS, sri Anjaneya Reddy, Coordinator, RRC have participated in it. The speaker enlightened the students about the problems caused by mosquitoes. The medical officer explained that everyone should avoid mosquito bites to prevent various diseases like malaria, dengue etc. He also advised the students to check their premises whether rain water was clogged or stored in broken pots, tyres etc and directed them to clean and keep their premises neat and maintain hygiene all the times. Then the teachers and students too expressed their views about the need to prevent mosquitoes and avoid diseases. Then the programme concluded enthusiastically with national anthem.
