Highlights:

The educational tour organized by Dr. C Pavithra, A Munirathnam, and M Sravani provided an enriching experience for the 24 BSc students. The journey covered significant cultural and historical landmarks, fostering a deeper understanding of the region's heritage.

From the awe-inspiring Sivasamudram waterfalls to the ancient temples in Thalakad and Nanjangud, students were immersed in the cultural tapestry of Karnataka. The visit to Somnathpur's Chennakesava temple showcased the intricate architecture, and the overnight stay in Nanjangud allowed for a more immersive experience.

Day 2 continued the exploration with a visit to the iconic Chamundi Hills, followed by the majestic Mysore Palace and the historical Srirangapatnam. The tour concluded with a visit to the serene KSR Gardens.

Despite the extensive itinerary, the organizers ensured a smooth and timely journey, prioritizing the safety and comfort of the participants. The students returned with not only academic insights but also a broader cultural perspective, making the educational tour a resounding success.

Outcomes:

- Students learned about the importance of Indian culture & Indian traditions.
- Students experienced and appreciated the diversity of Indian culture and grandeur of Indian architecture.
- Gained a deeper understanding of historical events.
- Development of teamwork, communication, and social skills among students as they navigate the itinerary together.
- Traveling to a new place exposes individuals to new perspectives, challenges, and opportunities.

- Students may develop a sense of independence, adaptability, and resilience as they navigate unfamiliar environments.
- Students understand the geographical features of the area like river systems, waterfalls, and the importance of water resources.
