OBJECTIVES OF THE PROGRAMME:

STUDENTS WILL LEARN,

- To promote environmental sustainability and eco-friendly practices
- To foster a sense of responsibility towards environment
- To promote importance and waste reduction in the campus
- To keep the classrooms and premises of the campus clean

REPORTS OF THE PROGRAMME

A clean and green programme was conducted in the college premises on 28-01-22 at 11.00a.m by NSS volunteers and students. The programme was led by Dr. Srinivas, NSS programme officer with the support of other teachers. All the volunteers are divided into 2 groups. The first group has cleaned the garden in front of the office building and dumped the waste in vermin compost

pit. The second group removed the weeds and unwanted plants and bushes behind the office. The plastic and decomposable wastes are segregated and the plastic wastes are sent to the plastic vendors and decomposable wastes are dumped in the vermin compost pit. Then the students have cleaned their hands and legs and refreshments were served to the students and NSS volunteers. The programme concluded on a happy and satisfactory note.

OUTCOMES OF THE PROGRAMME:

STUDENTS LEARNED ABOUT

- To implement eco-friendly practices like waste reduction and recycling
- To maintain green spaces, reduce pollution and keep the campus clean
- To develop leadership, teamwork and management skills.
