OBJECTIVES OF THE PROGRAMME:

The main objective of the day is to make aware and inspire people to sustainably manage the freshwater resources and learn more about water-related issues like water pollution, water scarcity, inadequate water, and lack of sanitation, and take appropriate steps to make a difference.

REPORT OF THE PROGRAMME

The programme started at 11.00 A.M. A meeting was conducted in seminar hall with the welcome address by R.Sandeep III B.com. More than 110 students of this college and people attended the programme. The principal and faculty members of this college spoke about the importance of water preservation and of farmers.

It was followed by a few students' speeches. Prizes were distributed by the chief guest to the student speakers and then vote of thanks was proposed by Saravana III B.com (gen) and the programme was concluded with National Anthem.

OUTCOMES OF THE PROGRAMME

- The students got enlightened about the farmers
- The students also got clarity about the importance of farmers

- The students are now able to create awareness among their near and dear and the knowledge of WATER.
- The students can encourage younger generations to consider careers in agriculture by showcasing the importance of farming and its potential for innovation and growth.

Feedback from the Students

Event: World water day

Date: 22-03-2022

A World water day celebration in Kenya in 2011. It celebrated 22 March. It is related to water sustainable development sustainability

K. Jyothi

UN - Water is the converner for World - Water day and selected the theme for each year in consultation with unorgani- zation.

Dr. Anusha

The theme for 2021 was "valuing water" and public campaign invited people to join a global conversation on social media to

C. Sulekha.

"Water and climate change. previous theme for the year 2016 to 2019 were "Water and Jobs
