As we all know Education is the main pillar for holistic development of the Nation without education, we cannot survive in this Modern Technology World. Realizing the holistic development of the marginalized sections of students of this society. Our Subharam Govt. Degree College has been rendering brilliant academic co-curricular and extracurricular activities apart from regular curricula. *“Education that does not teach morals and civility can only produce human psychos and sadists” – Sigmond*

### **1. Brief History of the College:**

Subharam Government Degree College, Punganur, established with the aim of providing quality education to the rural students, has continued its journey toward academic excellence since its inception. Over the years, the college has grown both in infrastructure and academic performance, serving students from diverse socio-economic backgrounds. It is to be mentioned that the most reputed Philanthropist of this area Sri Sannuthi Rama Murthy Garu donated the requisite Corpus Fund to the College. Thus, the college is later named after the chief donor and his wife (Smt.Subhashini and Rama Murthy) as Subharam Government Degree College.

### **2. College Planning and Development Council (CPDC):**

The CPDC has been instrumental in enhancing the facilities and resources available for students. With active participation from the community and stakeholders, the council has successfully facilitated the development of new infrastructure, including the introduction of

new courses and upgrading the existing ones. CPDC member Bakthavastala Raju has significantly contributed by encouraging members to donate computers and other equipment to the college.

## **7. Students' Results:**

The overall results for the academic year 2018-19 were commendable. A significant number of students achieved \*first-class results\*, with many securing university ranks. The college continues to emphasize quality education and student performance.

## **8. District Resource Centre (DRC) Activities:**

As a part of the DRC, the college has organized several \*inter-college academic activities\* such as quiz & Elocution competitions, on “Conservation of Water – Citizen’s Role” and other subject-specific workshops, and student exchanges with other colleges. These activities helped in broadening the learning scope of students and improving academic interaction with peer institutions.

## **9. Best Practices:**

- The college maintained the tradition of \*mentorship programs\*, where faculty members were assigned small groups of students for counselling and guidance.
- Another best practice was the \*eco-friendly campus drive\*, with regular plantation programs and the installation of dustbins for waste segregation.

## **10. Library:**

The college library is well-equipped with academic resources. During this academic year, new books and journals were added to the library's collection. Digital learning facilities were introduced, enabling students to access e-books and research papers.

## **11. Jawahar Knowledge Centre (JKC):**

The JKC provided \*skill development training\* to students in areas like \*communication skills, \*\*IT skills, and \*\*soft skills\*. 90 students in three batches benefited from JKC's initiatives and were placed in reputed companies.

## **12. Career Guidance Cell:**

The Career Guidance Cell actively worked to guide students on career choices and higher education opportunities. Career counselling sessions were held regularly, and campus placement drives attracted notable companies to the college. Many students secured jobs in \*IT firms, \*\*banks, and \*\*public sector companies\*.

## **13. Consumer Club:**

The Consumer Club continued its mission of creating awareness among students about \*consumer rights and responsibilities\*. Various workshops and interactive sessions were held in association with local consumer forums to educate students about consumer laws and practices.

**Conclusion:** The academic year 2018-19 was a fruitful year for Subharam Government Degree College. The institution made great strides in improving student performance, infrastructure, and extracurricular activities. We aim to continue this tradition of excellence in the coming years.
