CURRICULAR ASPECTS	
1.1 - Curricular Planning and Implementation	
1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process	
Every year, the Principal, IQAC and HODs prepare an academic calendar reflecting the schedule of curriculum delivery. The curriculum delivered through online and offline demonstration, projects, assignments, seminars, guest lectures, workshops, field visits, etc. Importance is given to the use of ICT tools like PPTs, animations, videos, e-books, etc. Effectiveness of the curriculum delivery is also judged through internal evaluation in Unit tests, assignments and preliminary examinations prior to the University examinations. A curriculum is planned as per teaching plan prepared	

by teachers, and its delivery is recorded in the Daily Notes Diary of every faculty, reviewed by the HOD and Principal periodically. Attendance record also helps in internal assessment.

Bridge courses are conducted by departments at the beginning of first semester to orient the students to bridge the gap between pre-University and university pattern and for identifying slow and advanced learners.

The Principal, mentors and faculty members informally meet the parents/guardians of students to discuss matters related to overall progress of the students wherever necessary.

The Principal obtains feedback from students, parents and alumni which is analyzed and necessary action taken wherever possible. Academic Audit is carried out by experts deputed by the CCE, A.P.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

The academic calendar is prepared taking into consideration the declared calendar of the affiliating university. This helps the institution to adhere to the schedule of the calendar effectively. The schedule of two midterm exams within the semester and practical examination at its end is clearly mentioned in the Calendar for conduct of Continuous Internal Evaluation.

Provision is also made during the planning the academic calendar for conduct of co-curricular activities such as inauguration of subject associations, guest lectures and field visits and for extracurricular activities such as extension activities, sports, and days to be celebrated.

Teaching plan and its execution through daily notes help the Principal and Heads of Departments to keep check and ensure that the schedule of curriculum delivery is being followed as per the calendar.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

The institution has a well-structured, transparent and robust mechanism for internal evaluation of students.

The examination committee takes care of conducting internal exams. The schedule of internal examinations is designed and informed to the students well ahead of the exams following the Academic Calendar in Institutional plan. The process of internal assessment mechanism includes formative and summative modes. Formative assessment is done based on the following items:

- **75% of attendance**
- **2 unit tests per semester**
- **Assignments, class seminars, practical exams and projects**

- Participation in debates, quizzes and group discussions.

The following are considered for awarding marks.

Practical examinations, class seminars, Participation in debates, quizzes, group discussions, timely submission of assignments, projects and teaching learning process, good conduct and demonstration of values and ethics in and outside of the campus. Feedback is given to the students. Slow learners are counseled and corrective measures are suggested.

In summative mode, students take a semester end examinations conducted by the affiliated university pattern and schedule. Necessary feedback is given to the students after the examinations and when the results are out. Our students are consistently performing well in the university exams.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Teachers and students are aware of the stated Programme and course outcomes of the Programmes offered by the institution.

The institution has prepared program outcomes for BA, BCom and BSc programmes. They have been finalized by various HODs and teachers and has been uploaded in the institutional website.

The college actively formulates and disseminates the COs, which begins with the departmental meetings. Every department design the teaching plans to achieve POs, PSOs and COs optimally, by conducting revisions of the syllabus. Teachers chalk out the teaching strategies and evaluation methods in alignment with the outcomes.

The IQAC asses the learning outcomes and plays the POs, PSOs and COs of the curriculum for discussion in the meetings and incorporate the devised strategies into the curriculum transaction. At the beginning of each semester every teacher reads out the learning outcomes in the class room. Thus, making the students aware of objectives and outcomes of the programme and course at the very commencement of the teaching learning process.

Student satisfaction survey is another tool that helps the institution in a great deal to take the feedback on the extent of student attainment of learning outcomes. In this manner the institution engages manifold techniques and tools to make every student and teacher aware of learning outcomes of every programme and course.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

The College vision for excellence in academics and integrity of character and aim to develop a scientific temperament for a caring, impartial and inclusive society, with its mission to create and facilitate an environment for knowledge, research, skill, self-reliance and humanitarianism that propels the young to build a caring and sharing society is seen in its governance. Its high

morals and values are reflected in its policy of welcoming staff as well as students from all strata of society

The Staff Council always encourages the involvement of the staff in the quality assurance, enhancement and developmental activities of the College by being members of bodies such as IQAC, Staff Council, as HODs, or as Coordinators of Cells, Subject Associations, Students Council, etc.

The Principal leads the staff and students towards the fulfillment of the stated mission. The Staff Council meet twice a year for discussion and its implementation based on feedback received from Principal and various stake holders. The Staff Council is proactive in extending all guidance, support and cooperation during the outbreak of the COVID-19 pandemic. The Staff has been encouraged to participate in Webinars and Faculty Development Programmes (FDP'S) in relevant subjects. The College has also provided support of infrastructure for online teaching.

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

The College has undergone 1st and the 2nd cycles of NAAC accreditation in 2008 and 2016. Review of the various processes has been carried out through discussions and recommendations based mainly on the Peer Team Report and IQAC. Identified improvements towards teaching-learning and prepares a plan of action for upcoming session. Specific formats prepared by IQAC are used to collect information from individuals, HoD's, Cells, office, Library and students. Based on these reports, incremental improvement in quality is identified, and lacunae, if any, are addressed by IQAC, the College administration and CPDC.

Example 1: Increase in the number of Computers- In line with the peer team recommendations, there has been a steady increase in number of computers and use of ICT for Teaching-Learning over the past five years.

Example 2: Increase in placements-

Career Guidance & Counseling Cell, JKC encouraged by IQAC to become more proactive, as a result of which placements increased every year. However, there are no placements in 2020-21 due to the widespread of COVID-19 pandemic before the schedule of placements by different employers was completed.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Orientation to Freshers

Objectives: To learn about curriculum, semester system, exam pattern and facilities.

Context: Students get acquainted as they come from varied mediums, academic and social backgrounds.

Practice: To get familiar to other new entrants, staff and facilities a day is designated for orientation programme. Principal and subject teachers explain about the program outcomes, semesters, assessment, committees and facilities.

Evidence: Students adjustment with their new surroundings. They get acquainted with the facilities, do's and don'ts of the college.

Problems encountered and resources required:

Late entrants miss the programme and to be instructed separately which becomes repetitive and arrangements have to be made multiple times for separate programs. No major resources required especially financial.

UNIFORM

Objectives: To provide identity, unity and equality among the students. To reduce cost on clothing.

Context: In today's world clothing has become a status symbol. Uniform negates that and instills a sense of oneness among students.

Practice: Students wear uniform on all working days in a week except on Saturday.

Evidences of success: Uniform enhances pride, unity and community spirit. It improves attendance and discipline.

Problems encountered and resources required: Uniforms restrict the freedom of expression and cause discomfort

- No financial resources are required and are inexpensive.
