Dr. K. Ushasri
Editor

Currently serving as an Assistant Professor & Head of the Department of Microbiology in Smt. N.P. Savithamma Government Degree College for Women, Chittoor, Andhrapradesh. She Published 14 Research Publications, 10 book chapters, attended 10 Training programmes, 20 Workshops, 7 Conferences, and 25 Seminars both National and International. Also Completed 12 Swayam MOOCs courses offered by various reputed Institutes in India.

She obtained Postgraduate Degree (M.Sc) in Applied Microbiology and Ph.D. from Department of Microbiology, Sri Padmavathi Mahila University, Tirupathi, Andhra Pradesh. Held various academic positions like IQAC Coordinator, Women Empowerment Cell Coordinator, YRC coordinator etc. Acted as a paper setter for many universities. Received Best teacher award at district level for Two times from APCCE, Vizayawada during the years 2013 and 2014.

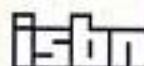

Dr.K.Ushasri, the Editor has an experience in conduction of One National Seminar and Two "INSPIRE INTERNSHIP" programmes Sponsored by Department of Science and Technology, New Delhi, is now planning to conduct a Two day National level Seminar at this college and bringing out a book Entitled 'Intellectual property Rights in Research and Entrepreneurship' with qualitative articles collected from several Academecians, experts, Research scholars and enthusiastic Entrepreneurs in the subject area.

The articles, appearing in this book, are the proceedings of the technical sessions of the seminar. Papers were selected by the organising committee to be presented in oral or poster format, and were subjected to review by the Editorial committee. The proceedings represent scholarly work of advanced and innovative thinkers and educators from all over the India. These Proceedings provide a permanent record of what was presented. They indicate the state of development at the time of writing of all aspects of this important topic and will be invaluable to all dedicated contributors in the field for that reason. The different shades of the topics covered in this book will be helpful to the next generation Researchers and
